Hi Sarah,

Following correspondence with WDNR we've revised the facilities we'll be visiting 12/9 – 12/10/13.

Dakota and I will inspect the first two facilities on Monday and the remaining two on Tuesday.

1. Mid-American Steel Drum in Oak Creek, WI
2. Kendall Packaging in Jefferson, WI
3. Stoughton Trailers – Plant 7 in Evansville, WI
4. Degussa Goldschmidt in Janesville, WI

Thanks,

Katie

Just to let you know, Hydrite is on WI's HPV list. The notes I have from our last call say that they just found new violations. I don't know specifically what they are.
